The African Union Commission presents its compliments to the Permanent Missions of all Member States to the African Union, and has the honour to inform the latter that the Republic of Botswana has withdrawn its reservation on Article 2 of the **African Charter on the Rights and Welfare of the Child**, which were entered vide its instrument of ratification, deposited with the Commission on 10 July 2001.

The African Union Commission avails itself of this opportunity to renew to the Permanent Missions of all Member States the assurances of its highest consideration.
